History and description of the remains

At unknown dates, human remains representing, at minimum, 23 individuals were removed from unknown locations and later found in the collections of the Western Archeological and Conservation Center. No known individuals were identified. No associated funerary objects are present.

Pursuant to 43 CFR 10.16, the Secretary of the Interior may make a recommendation for a transfer of control of culturally unidentifiable human remains. In November 2013, the Western Archeological and Conservation Center requested that the Secretary, through the Native American Graves Protection and Repatriation Review Committee, recommend the proposed transfer of control of the culturally unidentifiable Native American human remains in this notice to the Hopi Tribe of Arizona. The Review Committee, acting pursuant to its responsibility under

25 U.S.C. 3006(c)(5), considered the request at its November 2013 meeting and recommended to the Secretary that the proposed transfer of control proceed. A December 11, 2013 letter on behalf of the Secretary of Interior from the Designated Federal Official transmitted the Secretary's independent review and concurrence with the Review Committee that:

- none of The Consulted Tribes or The Invited Tribes objected to the proposed transfer of control, and
- the Western Archeological and Conservation Center may proceed with the agreed upon transfer of control of the culturally unidentifiable human remains to the Hopi Tribe of Arizona.

Transfer of control is contingent on the publication of a Notice of Inventory Completion in the Federal Register. This notice fulfills that requirement.

Determinations made by the Western Archeological and Conservation Center

Officials of the Western Archeological and Conservation Center have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice are Native American based on osteological analysis and other contextual information.
- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of, at minimum, 23 individuals of Native American ancestry.
- Pursuant to 25 U.S.C. 3001(2), a relationship of shared group identity cannot be reasonably traced between the Native American human remains and any present-day Indian tribe.
- Pursuant to 43 CFR 10.16, the disposition of the human remains will be to the Hopi Tribe of Arizona.

Additional Requestors and Disposition

Representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written

Commerce Park Loop, Tucson, AZ 85745, telephone (520) 791-6401, email tef_rodeffer@nps.gov, by [INSERT DATE 30 DAYS AFTER PUBLICATION IN THE **FEDERAL REGISTER**].
